Dear Friends,

International Missionary Benefit Society is continuing its work of accompaniment and solidarity with its members and this year will be celebrating 60 years of existence! A mass of thanksgiving will be celebrated at Notre-Dame de Paris on 27 November 2025 on the occasion of this anniversary and entrust the sick members of our groups to Him. Please feel free to share your expectations and wishes regarding the services of the IMS with us.

We wish you a wonderful return to work and remain at your disposal for any questions you may have.

Fraternally,
Sr Elisabeth Auliac,
Président

PREVENTION HEALTH

Preventing dengue fever

Dengue fever, also known as 'tropical flu', is an infectious disease caused by the virus of the same name. How is the virus transmitted? The virus is transmitted to humans by mosquitoes of the Aedes genus. The incidence of dengue is currently rising sharply, making it one of the so-called 're-emerging' diseases. 5.2 million cases reported worldwide....

PRAYER

'Let nothing trouble you... God alone is enough!'

'Let nothing trouble you, let nothing frighten you; everything passes away, God does not change, patience obtains everything; he who possesses God lacks nothing: God alone is enough. Lift up your thoughts, go up to heaven, be troubled by nothing, let nothing trouble you. Follow Jesus Christ with a big heart, and whatever happens, let nothing frighten you.....
